

CHILDRENS ENTERTAINMENT

*For the  
very best in  
Children's  
Entertainment*

Discos Plus offer a range of professional Children's Entertainers for parties with children between the ages of 4 and 12 years.

A typical party package will include:  
Games & Competitions with prizes.  
Balloon Modelling  
Magic Shows  
& Mini Disco

Some of our entertainers also provide a full Punch & Judy show.

Most Children's Entertainers will perform a two-hour show as it is difficult to keep children interested for any longer.

All children's parties must have a short break halfway through and at least one extra adult per ten children attending to help supervise and keep order!

We also supply:  
Close-up magicians  
Jugglers  
Stilt Walkers  
Fire Eaters
